

Shopping Cart Policy

11th Hour Print Solutions

Effective Date: August 1, 2026

Purpose

This Shopping Cart Policy explains how items are added to, stored in, and processed through the shopping cart system on the 11th Hour Print Solutions storefront.

Adding Items to Cart

Customers may add products and services to their shopping cart for review before completing a purchase. Adding an item to the cart does not guarantee availability or reserve inventory unless otherwise stated.

Pricing and Availability

Product prices, specifications, and availability displayed in the shopping cart are subject to change without notice. The final price will be confirmed at checkout.

Cart Updates

Customers may modify quantities, remove items, or update selections in their shopping cart before submitting an order. Changes made to the cart may affect pricing, discounts, shipping costs, and taxes.

Abandoned Carts

Shopping carts that are left inactive may be retained temporarily for customer convenience. 11th Hour Print Solutions may send reminder communications regarding incomplete purchases where permitted by law.

Promotions and Discounts

Promotional codes, discounts, and special offers must be applied before checkout and are subject to their stated terms and conditions. Certain offers may not be combined.

Custom Print Orders

Custom print products may require additional review, file verification, or approval before production begins. Cart contents do not constitute final acceptance of a custom order.

Taxes and Shipping

Estimated taxes and shipping charges displayed in the shopping cart are subject to verification and may be adjusted at checkout based on destination, order details, and applicable regulations.

Order Submission

An order is not considered accepted until payment has been successfully processed and an order confirmation has been issued by 11th Hour Print Solutions.

Policy Updates

11th Hour Print Solutions reserves the right to update this Shopping Cart Policy at any time. Changes become effective upon publication on the storefront.

Contact Information

Questions regarding shopping cart functionality, pricing, or order processing may be directed to 11th Hour Print Solutions through the storefront's customer service channels.
